THE INVINCIBLE

Introducing the all new V from Bajaj. It's not just a bike. It's an invincible symbol of strength and solidity. Containing the metal of INS Vikrant, India's first aircraft carrier, the V is a bike that truly epitomizes its proud heritage. It is an awe inspiring combination of invincible form, performance and style. With its solid build and stand tall stance, you always ride V with your head held high.

Available in Ebony Black Pearl White
